Maison WILOH

ABOUT MAKE A DONATION CONTACT

# Inclusion Knows No Borders

## People share our philosophy on community and integration all across the world.

Around the world, people share Maison WILOH's belief that everyone deserves to belong. In a recent visit to **Arequipa, Peru**, we came across a lively parade celebrating inclusion, with **participants from Special Olympics and the local Down syndrome association.**

It was a heartwarming reminder that our vision of a welcoming community, where everyone is valued and included, reaches far beyond the West Island.

# A Place to Call Home Starts With All of Us

Maison WILOH is being built through community involvement, and every conversation, introduction, and act of support can help bring us closer to creating an inclusive home and respite environment for neurodivergent adults.

**Here are four ways you can help:**

- **Share our mission:** Talk about Maison WILOH with families, friends, colleagues, and others who may want to learn more or get involved.
- **Connect us:** Introduce us to professionals, organizations, community leaders, or potential partners who could contribute expertise, resources, or opportunities.
- **Engage your company:** Businesses can support Maison WILOH through corporate sponsorships, employee fundraising, matching-gift programs, professional expertise, in-kind contributions, or community partnerships.
- **Support our fundraising efforts:** Donations and fundraising initiatives help us continue building toward our long-term vision. With **Giving Tuesday coming in December**, it is also a meaningful time to consider how you or your network might support Maison WILOH.

**Every connection helps strengthen the community behind Maison WILOH.**

our mission

# An Unforgettable Night for

# a Wonderful Cause

At Maison WILOH, we know how much a caring community matters. For over a century, NOVA West Island has made a meaningful difference through compassionate home nursing, bereavement support, and services that help individuals and caregivers feel supported during life's most difficult moments.

We encourage our families, friends, and supporters to attend **"Le Doc Show – Concert for Care" on December 5, an evening of music supporting NOVA's essential programs.** Let's come together to celebrate and support an organization that brings comfort, dignity, and hope to so many West Island families.

**A MONTHLY LOOK at the progress, partnerships, and actions helping move Maison WILOH forward.**

***

**Our Community Through Communication (CTC)** meetings give families a welcoming space to connect, exchange practical information, and talk openly about housing, support, and planning for the future. These conversations also help ensure that family experiences continue to shape Maison WILOH as the project grows.

**Upcoming CTC dates:**

**Monday, November 16 — 9:30 AM**

**Friday, December 11 — 6:00 PM**
